News that the supplier of our **club clothing** ceased trading earlier this year will have reached most members however after much searching Pauline has managed to find a new supplier in Impsport, who are well known for cycling clothing. She has been busy compiling an order which will shortly be sent off to them. Pauline's number is 01954 780470. Do give her a call if you need to add anything to the order.

Included in this edition is a **revised list of club events**, amendments having been made due to the marshalling requirements, on certain courses, by London East district as part of the risk assessment. It should be interesting to see what marshalling requirements they stipulate for the Duxford circuit when they get around to doing the risk assessment on it. We did a traffic count in Elmdon, during the recent event, which equated to 15 vehicles per hour.

The **Club Summer BBQ** will be on Sunday June 26th courtesy of Doug and Pauline at 13 Colesfield, Longstanton. The event will start at 3pm and the cost this year is £7.50 (children £3.50). If you would like to go please send the enclosed form to Pauline asap. All Members and **families** will be made very welcome.

Team Cambridge riders have been out in good numbers at various open events although I don't have any race reports to publish. Numbers are also up in our evening series and last Wednesday saw 18 Club riders take part. So far the weather has made most events tough with either strong winds or rain (and even lightening with a hail storm last weekend).

Mountain Bike rides are still being run on Monday nights finishing at the Scout Hut in Perne Road. These normally start at the Scout Hut, but occasionally vary, so give Jeff a call on 01223 214328 to check the details.
