Attleborough Cyclo-Cross Jan 28th

It was a dark and stormy night – actually it wasn't - it was yet another bitterly cold Sunday morning at the end of January. Where-by the Parkers and Millards travelled down to darkest Norfolk, to take part in the final round of the East Anglia BCCA cyclo-cross at Attleborough. As usual one of the first events of the day was the U12 race. Our intrepid team were on the start line along with many other young enthusiasts. An exciting race ensued with

Katy Parker coming out on top for the club taking fifth place over all. She was followed home by Sam Parker in sixth place and Danielle Parker was placed in eighth position. Peter Millard was unlucky getting held up by a slower rider on one of the slopes on the course. He lost time getting past the other rider but managed to finish tenth overall. As usual in these well organised events all the finishers were presented with certificates and the usual bag of sweets. In the senior event Kevin Parker managed to complete the course without breaking his chain, and finished in 50th position. Meanwhile Paul Millard had a good ride to get placed in 41st position. Ian Millard and Angela Parker decided to be spectators rather than ride today's event.

Who put these silly great logs here??

As with all winter events the usual 'soup kitchen' crew were on hand to dish out piping hot soup and refreshments after the event.

It was Trevor Kimber that spotted Katy & Danielle names in that other cycling magazine (CW) with the comment 'I've been trying for years to get my name in the comic, they do it in their very first season!!!'

Round III of the Thetford Ford MTB Series.

A miserable, misty murky morning on Sunday February 11th saw six club riders and a handful of spectators at the third and final round of the Thetford Forest MTB Winter series. The riders taking part were **Two Hours Event** Kevin Parker,, Simon Bowden, Charles Tallack, Paul Millard Jeff MTBushrod **Two Lap Fun Event**, Ian Millard was the only club rider in this event, Doug Parker electing to take the photographs once again, Angela Parker was a DNS due to having a heavy cold and suffering an injured shoulder due to a crash on the bike a week ago. The winter snow earlier in the week had all disappeared, leaving the

Jeff riding steadily

course very wet and muddy; making it difficult for all the riders. As usual Simon stormed away to take an early lead amongst the club riders. Paul Millard slotted into second place but unfortunately did a Jeff and **munched mounds of mud**. Jeff MTBushrod then rode steadily and maintained the second place all the way to the finishing line. Charles followed in third position these riders each completing three laps of the 8mile circuit. Paul Millard and Kevin Parker both pulled out at the end of their second laps, both qualifying for points in the club competition.

Charles Tallack

Ian Millard earned enough points from his three riders to be placed second overall in the U16's Thetford Forest MTB Winter Series, giving him a place on the winner's podium after receiving an engraved plaque. Also to everyone's and Ian's surprise he was presented with a medal for taking second place in Round II. Well done Ian.

Blast from the Past

The Spokesman is indebted to Val Edwards for providing the photograph of her late husband Ron, better known to some of us older members as R.V.Zimmerman (it's a long story which I will reveal in the months to come) Ron was 19 years old when this picture was taken, at the end of what was one of his most successful seasons. Ron was a member of Cambridge Roads Club then went onto join Cambridge Town & County CC. When I first came to Cambridge as an apprentice with Pye Telecommunications Ltd, I must have raced against him way back in the early 60's. A lot of members will probably not recognise Ron in this very early photograph.

Ron may be gone, but not forgotten

Team Cambridge Annual Social Evening Feb 3rd

And the winners were...

Saturday 3rd of February found Team Cambridge members & their partners looking forward to an evening of good food and pleasant company, nobody left disappointed. The food provided by Pauline was superb, as always, and the company was wonderfully pleasant and relaxing. (So relaxing that Sue & Beryl had to fight to keep their eyes open!)

Several new members enjoyed their first dinner and prize presentation and lots of people had the opportunity to meet and chat in the warmth and without leaning on bicycles.

People began arriving shortly after 7pm, some very keen to be first in the queue for Pauline's pork dinner (Yum), and didn't disappear until nearly midnight. It was pleasing to see that almost everybody went back for second helpings of dinner and dessert. Some people even had three puddings and cheese and biscuits-he

clearly used all that energy at Thetford the following week to achieve his second place!

The beer flowed as did the wine and the shandy-one small boy was heard to remark that he was drunk, having had four bottles of shandy.

Following the delicious food was the prize presentation and prizes were awarded to all ages from 8 to ...

The If Only trophy was awarded to Jeff MTBushrod for his spectacular dive during one of the Thetford races, while still attached to his bike! During the prize giving evening he also unveiled the new mountain biking trophy the Most Prestigious Award.

Many thanks to Pauline for a wonderful evening and all her hard work, and to both Doug and Pauline for allowing us all to invade their house once more.
